Welcome and thank you to looking at our 2017-2018 Fall / Winter Collection.

National Park Geek is a line of products developed to share in the spirit of our National Parks that was founded in 2015. We have developed products to enhance our communities love for our beautiful parks and public lands. These products range from pins to t-shirts.

We currently sell products in numerous National Park stores. We are an approved vendor with Western National Park Associations (WNPA) and Eastern National (EN). It has been a great joy building our relationships with these wonderful park non-profits and their stores.

As a part of National Park Geek's DNA we are giving back. We are a member of 1% For The Planet which ensures we donate back to environmental non-profits annually. For the past two years we have made donations to the National Park Foundation. We also are a Corporate Partner with Public Lands Alliance.

How we connect to our National Park Geek Community.

Instagram -

We connect daily with the National Park Geek community on Instagram @nationalparkgeek. Currently we have +103,000 followers on our account. Photos are contributed by our followers with the hashtag #nationalparkgeek. To date we have had over 160,000+ photos submitted by the National Park Community.

Website -

We maintain an e-commerce store at www.nationalparkgeek.com which features our designs. Our online store offers our complete line of t-shirts in a variety of colors and designs. We ship worldwide with our product line.

Meet Ups -

Over the past two years we have hosted numerous meet up in our National Parks. These are moments for National Park Geeks to meet fellow Geeks and make new friends. We have hosted both hikes and photo meet ups in locations such as Joshua Tree, Zion, Ft. Point, Yellowstone, Great Smoky Mountains and Santa Monica Mountains. These are always free and we will continue to host events to share the spirit of the parks with others in the future.
